

## 100 Third Grade Skills (100 Skills)

Help your child build classroom confidence, one skill at a time! 100 Third Grade Skills offers 256 pages of grade-appropriate practice in math and language arts. Skills include fractions, estimating, rounding, adverbs, plurals, and more. The 100 Skills series extends classroom learning by breaking down skills into simple instructions and exercises, making it easy for children to practice at home. Each book prepares your child for higher-level thinking and analytical skills by strengthening understanding of foundational concepts
