

Once kids are drawing shapes like circles, squares, and triangles, how can they get to the next step? How can they learn to draw crazy crabs and beautiful kites? With Watch Me Draw n Go: Mickey Mouse Clubhouse, they'll be creating their own art in no time. Mickey and his friends Minnie, Goofy, and Pluto take kids on a journey through their most amazing adventures, entertaining them while teaching them how to draw the key elements of each activity. Kids can start with a story of Mickey's trip to the rainforest and a circle and an oval, and end with a colorful toucan! Or they can read about Mickey's favorite foods and draw a triangle—and keep going until they've got his delicious pizza! The step-by-step instructions make it easy, and the twistable crayons in a rainbow of colors make it fun. Plus, with 11 reusable stickers kids can place on the pages of the book once they've completed each drawing, Watch Me Draw n Go: Mickey Mouse Clubhouse is rewarding, too! With Watch Me Draw n Go: Mickey Mouse Clubhouse, kids won't just be coloring—they'll be creating, too!
