

I Wonder What Its Like to Be a Spider (Life Science Wonder Book)

In the tradition of *Antz!* and *A Bugs Life*, this fun-spirited series brings the wondrous world of insects to life in a whole new way. By examining these creatures and their physical environments, these books are the perfect compliment to the elementary science curriculum studying living things and ecosystems. Light-hearted yet informational, these books are chock-full of off-beat illustrations and unbelievable facts that encourage readers to wonder, What would it be like to be a bug?
