

How Your Child Drives You To Drink - Part 1: An Alcoholics Practical Guide To Recovery

How do you stop drinking? Alcoholism is a major problem world wide, but what if everything you had ever been told was untrue? What if you live in a world where everything you ever believed, were told or thought you knew, is wrong! How Your Child Drives You To Drink is an innovative approach to over-coming addiction, particularly alcohol addiction. In this book the author uses both factual research and fictional beliefs to explain both your addiction and your recovery from it. He explains how erroneous ideas and misplaced concepts are actually positive contributors and far from being inhibitive can in fact be major stepping stones to your recovery. How Your Child Drives You To Drink is an innovative, revolution in the recovery of and for alcoholics. You can buy it in a single volume complete, or in 4 separate volumes, also on Amazon.
