

Subcontact: Slap the face of fear and wake up your subconscious

A new psychology based on conscious contact with your subconscious. Identify false fears, understand dreams, generate new ideas, manage change and pursue your spiritual journey. It was as if we discovered a symbolic door, opened it and passed beneath its arch to begin an adventure. It changed our lives. Everyone on the journey of self-discovery is also on a spiritual quest. A new psychology based on conscious contact with your subconscious. We have set out to provide a simple guide, written in everyday language, to help you create and manage change in your life. SubContact is for what you want to do, not what you want to stop doing. Visit the Authors Web Site at SubContact.com
