

# Becoming You, Becoming ..... (Insert Your Name Here)

Most of us want to find some reason for being alive. Becoming You considers what would happen if we went to God for the answer. What it would mean if God was the someone who had created us, that he did so with a purpose, and that we could find out what that purpose was from him. Part book, part workbook, the author shares her experiences of seeking God to find out who she was made to be and what her life is for. Like a makeover, it opens with the before, as the reader considers the way that she sees herself and ends with the after as she looks at her real self - the woman she is becoming. Ideal for any woman searching for the meaning of life, Becoming You looks at the ways in which seeking God can help you to discover the real you, the person you were made to be.
