

The Morrigan. Phantom Queen. Night Hag. Mistress of Battles. The Great Raven. She is both benevolent mother and righteous wrath. She is creative destruction and destructive creation. She is inspirational, and perplexing, and maddening. She drives us forward in times of defeat, and offers succor in times of pain and hardship. She is loved, and she is feared. Honored across ancient Ireland, she has never been forgotten. In this anthology, her modern-day devotees offer poems, short fiction, rituals, essays, and artwork to The Lady in all her many splendid and terrifying forms. Hail The Morrigan!
