

Chicken Little Conquers Fear: A Christian Faith Tale

A rewritten faithtale in which Chicken Little and his friends get frantic because of fear when a small acorn hits him on the head. They were moved by what they saw, what they felt, and what they heard. Fear is not of God, so you must be careful what you hear. Protecting your heart will also mean sometimes covering your ears. If your trust is truly in the Word you wont be moved when things look bad
