

## COUNT YOUR BLESSINGS: 30 Days: Strengthen Your Faith

You cant battle the enemy effectively, if you are not armed with the right spiritual equipment. COUNT YOUR BLESSINGS, is a short book filled with 30 days of Bible verses, which are geared to help strengthen your faith. This book is about recognizing what it means to be blessed. Its also about being thankful for what God has done for you. Being blessed goes way beyond material things, however all too often that is exactly where we place our emphasis on. Hopefully this book will help you appreciate where you are now, where you came from, as well as appreciate those that are in or have been in your life. Let the next 30 days help guide you toward being a better you in, a better place. At the end of the next 30 days stop and ask yourself, how blessed am I? You may be pleasantly surprised at how blessed you truly are. You cant battle the enemy effectively, if you are not armed with the right spiritual equipment. How do you go from no faith, to a little faith, to tremendous mountain moving faith? You do it one day at a time. Just as you have learned anything in your life. You had to learn it one bite, one piece, one letter, one number, one step, one recipe at a time. That is also how you must increase your faith. You must learn to fully trust in His power. Once you fully trust in Him, believing will come naturally. Train your mind and the rest will follow. One day at a time is all you need to start. God will do the rest. Trust and believe. He is the same today, as He was yesterday. Build up your faith with Gods Words.
