

Dance Divas (The Dance Series Book 2)

Mrs. Howser, I cannot stress how important this is. If she dances on her ankle the way it is right now she can make it worse. We dont even know if its just a sprain. It could be a fracture or a torn ligament. Continuing to put extreme pressure on it with dance can even cause permanent damage. Is one solo in her life really worth that? Dance Divas follows Kelsi from Tutu Much back from the summer ballet intensive and into her competition season. Her best friend, Avelyn, hardly recognizes her new toned, technique obsessed friend. And Sabine will stop at nothing to win with her solo, even if that means breaking all the rules. Bailey has a new best friend which leaves Kelsi wondering if she fits in at all anymore. You wont stop to mark your page, cause this ones full out!
