

Praying the Scriptures: A Field Guide for Your Spiritual Journey

Although Christians are lovers of the Bible, not all have learned and followed the venerable Christian custom of praying directly from Scripture. In this thoroughly readable and helpful book, Evan Howard shows Christians how to recover and reap the rewards of this vital practice. Praying the Scriptures features down-to-earth guidance on praying the Lords Prayer and the Psalms, on praying out of the Scriptures for worship, thanksgiving, revival and personal needs. It includes a clear and thorough listing of biblical passages for a variety of prayers. Free of gimmickry but full of practical advice, this book is for new Christians and those who desire a deeper, more biblically saturated prayer life.
