

Dr. Seuss ABC (Beginner Books)

Arguably the most entertaining alphabet book ever written, this classic Beginner Book by Dr. Seuss is perfect for children learning their ABCs. Featuring a fantastic cast of zany characters from Aunt Annie's alligator to the Zizzer-Zazzer-Zuzz, with a lazy lion licking a lollipop and an ostrich oiling an orange owl. Dr. Seuss's ABC is a must-have for every young child's library. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. From the Hardcover edition.
