

Gods call to intercede for the nations came simply in the words of Psalms 2:8: Ask of me, and I will make the nations your inheritance, the ends of the earth your possession. Actually, praying for each nation can be a daunting task. Breaking down nations into cities, towns, villages, and inhabitants can be even more overwhelming. God, in His mercy, has shown a way to move His hand in prayer so He will deploy angelic assistance in the form of spiritual watchers over each nation. They will amplify the intercessors efforts, strengthen the body of Christ, and go anywhere God sends them, with none of the limitations to which humans are subjected.
