

# MathsTutor: GCSE DVD-ROM Tutorials and Exam Practice Pack - Foundation Level

This DVD-ROM for PC and Mac contains hundreds of friendly, step-by-step video tutorials that clearly explain the entire Foundation Level GCSE Maths course (for the AQA, Edexcel, OCR and WJEC exam boards). Exam-style practice questions are included for every topic - all of these are printed in the matching Exam Practice Book, so students can work through them before watching the fully worked answers on video. Its all based around a straightforward menu system, including a helpful search function and grading information to show which topics are the most challenging.
