

Gods Prayer Book: The Power and Pleasure of Praying the Psalms

There is no better place in all of Scripture than the Psalms to learn to be with God and see with the eyes of faith the face of the One who longs to form us fully in his image. The psalms often stretch and perplex as they teach, but they open a divine window on prayer. How could it be otherwise? The Psalms are Gods prayer book, and they teach us to talk to God in his own language. Features meditations for more than 75 psalms, arranged in numerical order, Scripture and topical indexes. Each devotional includes the complete text of the Psalm(s) from the New Living Translation, a devotional window (brief meditative thoughts and/or background on the Psalm), a prayer route (one or more key phrases or verses from the Psalm, followed by suggested ways to use the Psalm in prayer).
