

The Secret Grace I Never Knew

The scriptural commentaries compiled in this small volume reflect the Reformed biblical teachings of salvation by grace alone, apart from works. It is Christ's atoning sacrifice through Calvary's cross alone that brings lost sinners to eternal life. The commentaries offer biblically sound arguments relating to questionable interpretations of Scripture, including that Jesus wept for Lazarus, baptism is a saving ritual, God commands tithing, and that the widows mite story in the Bible is to inspire the faithful to imitate the widows generosity. Joe Serge, a Roman Catholic from childhood, embraced the Reformed faith and joined an evangelical fellowship. A retired Toronto newspaperman, Serge now devotes his writings to passionately share with skeptics and committed unbelievers, the wondrous gospel message of grace - that it's not whether we're nasty or nice that matters, but that thanks to Calvary, Christ's saving work is freely-credited to all who believe. The wonder of it all is that having this necessary faith is a gift of God. (Eph.2:8-9). If I have faith today, I know from the get-go that I didn't create this faith myself: God gave it to me through his Holy Spirit. I do not claim that my surrender to Christ was the result of some personal ability or quality. I take no credit for my faith. God gave me the necessary faith and Christ's righteousness. - Joe Serge

The Secret Grace I Never Knew is an account of the journey from law and guilt to power and grace. Joe Serge wants everyone to know the freedom God has made available, freedom to experience a new life, and freedom that comes as a gift from his Lord and Savior Jesus Christ. Each chapter displays serious research and wrestling with topics, and each truth reflects his passion to proclaim the message. - Len Riemersma, Pastor Maranatha Christian Reformed Church
