

Heroes A2Z #2: Bowling Over Halloween (Heroes A to Z, A Funny Chapter Book Series For Kids)

HEROES A2Z #2 BOWLING OVER HALLOWEEN Fudge strikes, spares nothing. Halloween goes down the gutter. In this adventure, superhero siblings Abigail, Andrew, and Baby Zoe look forward to trick-or-treating on Halloween. They're dressed in costumes and clutching treat bags when a massive explosion rocks the night. Could it have come from their favorite fudge shop downtown? The heroes decide to investigate. What they find is a gigantic ball of fudge rolling around like a snowball tumbling downhill. Its gobbling up trick-or-treaters, police cars, fire trucks, and everything else in its path. To stop it, the heroes will chase the runaway fudge ball past shops, across the beach, and through city streets. All the while, the fudge grows larger and larger and more dangerous. Let's hope they brought their appetites! The 14-book Heroes A2Z chapter book series follows the funny adventures of three superhero kids from Traverse City, Michigan. Each illustrated book includes over one hundred drawings. Meet Abigail, the oldest of the heroes. When it comes to sports, she can't be beat--not at arm wrestling, not at archery, and certainly not at aces on the tennis court. Andrew comes next. He's Abigail's twin, youngest by a measly eight minutes. If it has wheels, Andrew can ride it. He's amazing, astounding, and accomplished on wheels. Last but definitely not least is Baby Zoe. She's the strongest of the heroes, like Superman in a diaper. She can't walk that well, but she can fly and shoot lasers out of her eyes. Zoe puts the aww in awesome. Throughout their adventures, the superheroes battle kung fu kitties, dinosaurs, aliens, monkey-driven monster trucks, and a rockstar from outer space. They travel to the South Pole, the Rock-n-Roll Hall of Fame in Ohio, and to scenic Mackinac Island. Wherever danger lurks, wherever villains strike, expect Heroes A2Z to save the day! ALSO
