

Santas Suit

A rhyming Christmas story with touch-and-feel fun! And it teaches colors, too! Its terrible, says Santa. He sighs and shakes his head. I want a different colored suit--Im just so bored with RED! Young children will have fun with colors as they touch the fluffy white suit, the prickly green suit, the satiny pink suit, and many more! But Santas search comes to an end when he realizes the suit he really wants is the velvety red suit because . . . RED is the best, and it matches Rudolphs nose.
