

Total Arabic with the Michel Thomas Method

Speak Arabic - Instantly. No books. No writing. No memorizing. Michel Thomas teaches you through your own language, so there's no stress, and no anxiety. He builds it up, step by step, and you don't move on until you've absorbed and understood the previous point. And, as Michel Thomas said, What you understand, you know; and what you know, you don't forget. With parallels to the way you learned your own language, each language is learned in real-time conditions. There is no need to stop for homework, additional exercises or vocabulary memorization. Don't be tied to chunky books or your computer, either. Michel Thomas Method audio courses let you learn whenever you want: at home, in your car, or on the move with your MP3 player. The classroom situation on the recording lets you learn with others. You enjoy their success, and you learn from their mistakes. The students on the recordings are not reading from scripts and they have received no additional instruction or preparation - just the guidance you hear on the recording. You, as the learner, become the third student and participate actively in the class. You learned your own language naturally and enjoyably: now you can learn Arabic in the same way. You'll stick with it because you'll love it. Use the unique method perfected over fifty years by the celebrated psychologist and linguist Michel Thomas. Total Arabic with the Michel Thomas Method contains 10 hours of audio on 10 CDs.
