

Jennifers A Bout Closure Work Booklet

A Bout Closure is about, Addiction Behavior and Consequences. It discusses the addiction and what it is to address the issues that are related to the causes and consequences related to addiction. To address the issues of addiction we need to understand what it is that is the underlying issues of addiction. No one ever really thinks addiction can happen to them and certainly when it happens no one can ever realize what the consequences that will be the result of their life and their addiction. Seek your soul for the solution to your addiction. And the treasures you find will be diamonds in the end. Fill your treasure chest with them.
