

## Persian Tales - Volume I - Kermani Tales - Illustrated by Hilda Roberts

This wonderful book is the first of two volumes of old Persian tales originating from the province Kerman, Iran. It consists of 30 tales which are beautifully illustrated with black and white drawings and many coloured plates by Hilda Roberts. Pook Press celebrates the great Golden Age of Illustration in childrens literature. Many of the earliest childrens books, particularly those dating back to the 1850s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in high quality, colour editions, using the original text and artwork so these works can delight another generation of children.
