

## Qualitative Methods for Family Studies and Human Development

Qualitative Methods for Family Studies and Human Development serves as a step-by-step, interdisciplinary, qualitative methods text for those working in the areas of family studies, human development, family therapy, and family social work. Providing a systematic outline for carrying out qualitative projects from start to finish, author Kerry J. Daly uniquely combines epistemology, theory, and methodology into a comprehensive package illustrated specifically with examples from family relations and human development research.
