

Wild Flowers of the Mountains: In the Pacific Northwest (Lewis Clarks Field Guide To...)

With over 200,000 copies in print, Lewis Clarks field guides are the most popular wild flower guides on the Pacific Northwest ever published. Each book is packed with more than 100 exceptionally large, superb colour photographs, making them essential tools for identifying the common flowering plants of the mountains, forests and woodlands of the region. Each photograph is accompanied by a concise description of the flowering plants appearance, size and range. With useful overviews of the habitats, as well as glossaries and indexes, this compact guide will captivate you with the beauty of the wild flowers of the Pacific Northwest.
